

February Membership Campaign

Sponsored by 9th District

9th District wants to accomplish our goal of a 2% membership increase this year. We are so close! The District is running a Membership Campaign for the month of February 2012 for all 176 local units in our District.

Details include: We will award 4 tickets to a Sunday afternoon Braves game to the local unit that submits the most PTA memberships for the month of February to Georgia PTA by February 28, 2012 (prize is worth up to \$125). We ask the winning local unit to draw a name of a PTA member that purchased a membership in the month of the campaign to receive the tickets. Winner will be announced at 9th District's Spring Conference on March 27, 2012. Tickets will be purchased and provided to the family receiving the tickets after a date has been chosen. Tickets must be for a Sunday afternoon home Braves game prior to June 1, 2012.
